

Zoe Chen

Product Engineer – Developer Experience

zoe.chen@email.com | (425) 555-1384 | github.com/zoechendev | zoechen.dev | Bellevue, WA

PROFESSIONAL SUMMARY

Product Engineer specialising in Developer Experience (DX) with 7 years building internal platforms, SDKs, and developer-facing products. Combines deep empathy for engineering workflows with strong technical skills to create tools that reduce friction, cut onboarding time, and multiply team productivity at scale.

EXPERIENCE

Senior Product Engineer, DX

Sep 2020 – Present

Microsoft, Redmond, WA

- Built VS Code extension for AI-assisted code review now used by 500K+ developers globally
- Designed and shipped internal developer portal consolidating 30+ engineering tools into one unified platform
- Reduced engineer onboarding time from 2 weeks to 3 days through automated environment provisioning
- Maintained TypeScript SDK with 99.9% uptime, comprehensive docs, and 4.8-star developer satisfaction rating
- Conducted 50+ developer experience interviews and usability tests to inform product roadmap priorities

Product Engineer

Jun 2017 – Aug 2020

Atlassian, Seattle, WA

- Developed Jira automation plugins and integrations used by 10,000+ enterprise agile teams
- Built internal deployment dashboard reducing release failures by 40% and MTTR by 35%
- Created Confluence documentation features improving site-wide search relevance by 35%
- Launched developer API documentation portal with interactive playgrounds and 200+ code samples

KEY PROJECTS

Developer Portal — Unified 30+ internal tools into single Backstage-based portal; adopted by 2,000+ engineers

VS Code AI Extension — AI-assisted code review extension with 500K+ installs and 4.8-star marketplace rating

TECHNICAL SKILLS

Frontend	React, TypeScript, Electron, VS Code Extension API, Storybook, Docusaurus
Backend	Node.js, Python, Go, REST APIs, gRPC, OpenAPI, GraphQL
Dev Tools	CLI tooling, SDKs, API design, Documentation platforms, Backstage IDP
Platform	GitHub, Azure DevOps, Kubernetes, Helm, Terraform, ArgoCD
Research	User interviews, DX surveys, CSAT analysis, Developer journey mapping

EDUCATION

M.S. Human-Computer Interaction

Carnegie Mellon University

2015 – 2017

B.S. Computer Science

University of Washington

2011 – 2015

CERTIFICATIONS

- Microsoft Certified: DevOps Engineer Expert
- Certified Kubernetes Administrator (CKA)
- UX Research Foundations Certificate – NN/g
