

Isabel Reyes

Azure Cloud Architect

isabel.reyes@email.com | (602) 555-1829 | linkedin.com/in/isabelreyes-azure | Phoenix, AZ

PROFESSIONAL SUMMARY

Azure Cloud Architect with 10 years designing enterprise cloud solutions for financial services and healthcare organisations. Specialises in hybrid cloud architectures, cloud governance at scale, and leading large-scale cloud migration programmes. Delivered \$8M+ in cloud programme value and advised 50+ enterprise clients at Microsoft.

EXPERIENCE

Azure Cloud Architect
Wells Fargo, Phoenix, AZ

Feb 2019 – Present

- Architected enterprise Azure landing zone for 50,000-employee financial institution meeting OCC and FFIEC requirements
- Led \$15M cloud migration programme moving 300+ applications from on-premises datacentres to Azure
- Designed Azure Private Link and ExpressRoute topology for zero-trust network connectivity
- Built FinOps programme achieving 35% reduction in annual Azure cloud spend (\$4M savings)
- Established Cloud Centre of Excellence (CCoE) with 25 certified cloud engineers across 8 business units

Cloud Solutions Architect
Microsoft, Phoenix, AZ

Jun 2015 – Jan 2019

- Advised Fortune 500 customers on Azure architecture design and cloud migration strategies
- Delivered 50+ Azure Well-Architected Reviews across manufacturing, healthcare, and retail sectors
- Developed internal reference architectures for regulated industries adopted as official Azure documentation
- Grew enterprise Azure consumption by \$12M across 15 strategic accounts in FY2018

Systems Engineer
Banner Health, Phoenix, AZ

Jul 2013 – May 2015

- Managed on-premises VMware infrastructure and led initial Azure cloud pilot for 3 clinical applications
- Designed DR strategy reducing RTO from 4 hours to 30 minutes for mission-critical systems
