

Priya Nair

Business Development Manager – Partnerships & Alliances

priya.nair@email.com | (650) 555-3434 | linkedin.com/in/priyanair-bd | Palo Alto, CA

PROFESSIONAL SUMMARY

Partnerships and Alliances Business Development Manager with 7 years building technology partner ecosystems for enterprise SaaS companies in AI, analytics, and cloud infrastructure. Adept at identifying complementary technology partners, structuring bi-directional revenue agreements, and operationalising partnerships for long-term growth. Managed a portfolio of 60+ active technology alliances.

EXPERIENCE

BD Manager, Partnerships & Alliances

May 2021 – Present

Databricks, San Francisco, CA

- Managed technology partner ecosystem of 60+ ISVs across data engineering, BI, and ML tooling categories
- Closed joint GTM agreements with dbt Labs, Fivetran, and Tableau generating \$22M in co-sourced pipeline
- Built Alliance Partner Portal reducing partner onboarding time from 8 weeks to 2 weeks
- Launched ISV co-marketing programme producing 40+ joint webinars, blogs, and event activations annually
- Negotiated preferred partner agreements with 5 GSIs (Accenture, Deloitte, KPMG, PwC, Capgemini)

Technology Alliances Manager

Aug 2018 – Apr 2021

Looker (Google Cloud), Palo Alto, CA

- Built Looker's technology partner programme from 15 to 80+ integration partners pre- and post-acquisition
- Drove 35% of new enterprise pipeline through partner-referred leads in FY2020
- Coordinated technical integration requirements with 20+ ISV engineering teams
- Represented Looker at 20+ industry events including Dreamforce, AWS re:Invent, and Google Cloud Next

Business Development Associate

Jun 2016 – Jul 2018

Palantir Technologies, Palo Alto, CA

- Supported BD team in sourcing and qualifying \$150M+ in enterprise government and commercial opportunities
- Conducted competitive landscape analysis and market sizing for 6 new vertical expansion initiatives

KEY ACHIEVEMENTS
