PROFESSIONAL SUMMARY

Entrepreneurial Business Development Manager with 6 years driving early-stage revenue growth and partnership programmes at high-growth B2B SaaS startups. Skilled at building BD functions from scratch, defining ICP and outreach playbooks, and closing foundational partnerships that unlock scalable distribution channels. Helped 3 Series A–C startups establish their first enterprise partnership ecosystems.

EXPERIENCE

Business Development Manager

Jun 2022 – Present

[Rippling, New York, NY](#)

- Built Rippling's strategic partnership programme from 0 to 30 active technology integrations in 18 months
- Closed anchor partnerships with ADP, Gusto, and Carta generating \$9M in co-sourced pipeline
- Designed and launched partner referral incentive structure resulting in 300+ partner-referred leads per quarter
- Negotiated API integration and revenue-sharing agreements with 10+ HR and payroll technology vendors
- Collaborated with Product to prioritise 8 partner-requested integrations based on pipeline opportunity sizing

Senior BD Representative

Jan 2020 – May 2022

[Carta, San Francisco, CA](#)

- Exceeded new partner pipeline target by 55% in FY2021 and 62% in FY2022
- Sourced and closed VC firm referral partnerships with 12 top-tier investors generating 200+ warm intros
- Developed startup-to-enterprise land-and-expand playbook adopted by the full BD team of 8
- Managed relationships with 30+ accounting and legal firm referral partners

Business Development Representative

Aug 2017 – Dec 2019

[Greenhouse Software, New York, NY](#)

- Generated \$8M in qualified enterprise pipeline across HR tech vertical over 2.5 years
- Promoted to Senior BDR within 12 months; ranked #1 BDR nationally in Q3 and Q4 2019

KEY ACHIEVEMENTS

30 Integrations in 18 Months — Built Rippling's partner programme from zero to 30 active tech integrations
